My dear Mr. Attorney General:

This is in reference to a letter from the Department of Justice dated April 24, 1953, transmitting for advice as to its relationship to the program of the President a proposal entitled "To require the registration of certain persons who have knowledge of or have received instruction or assignment in the espionage, counterespionage, or sabotage service or tactics of a foreign government or foreign political party, and for other purposes."

The Department, by letter dated November 9, 1953, proposed certain amendments to the proposal as originally submitted to us. These amendments were forwarded to the Departments of Defense and State for consideration, and their views with respect thereto are attached.

Subject to modification of your amended proposal in the manner recommended in the above-mentioned letters, you are advised that there would be no objection to its presentation for the consideration of the Congress.

Sincerely yours,

**Roger W. Jones**
